

# Career Tech Matters

by Dennis Franks • Oct. 10, 2014

When the class of 2015 goes through its completion ceremony this May, it will mark the 40th class to do so.

In those years, we've had thousands of students complete a secondary program and thousands more pursue career development programs through Adult Education.

As part of our 40th anniversary celebration this year, the LAMPS committee proposed creating a Pickaway-Ross Alumni Hall of Fame.

The goal is to recognize Pickaway-Ross alumni for their contributions – be it in the business world or their communities, at home or outside Ohio.

Robin Bussey, who serves as the LAMPS recorder and who completed Pickaway-Ross' Accounting/Computing program in 1980, said it's important that we highlight those students who represent what can be done with an education from Pickaway-Ross.

"We have alumni who have become business owners and business leaders," Robin said. "A lot of our students finish their programs and use their

skills right here in Pickaway and Ross counties."

Nominees must have completed either a secondary or Adult Education program – or both – and have been out of Pickaway-Ross for at least eight years.

Once we have a group of candidates, an alumni event will be planned to honor the inductees.

LAMPS and Pickaway-Ross' public relations coordinator will be getting the word out to the community about nominating alumni, but I hope all of you will take part by nominating someone.

Application forms are in the Director's Complex by the mailboxes, can be accessed on our Web site or requested from Erika Konowalow, public relations coordinator.

I'm proud to have worked at Pickaway-Ross for 25 years and know of some great alumni, several who would be worthy nominees.

I would hope that those of you who have a decade or more of service here would be able to do the same.
