

Job opening: Nurse Assistant Specialist

Date posted: Nov. 3

At the present time, the following regular part-time position is open:

Nurse Assistant Specialist

Location: Pickaway-Ross CTC — all campuses
Effective date: Immediately
Letter of interest due: Noon Tuesday, Nov. 10
Certification desired: School nurse or LPN or medical assisting or nurse aide
Contact: Jason Vesey, director of Secondary Education
(740) 642-1223 or (740) 474-3331, Ext. 31223
jason.vesey@pickawayross.com

This temporary position will assist the school nurse with regular nursing duties and those related to COVID-19. COVID-19-related duties include, but are not limited to, assisting with student and staff member health assessments; reporting probable and positive cases; contact tracing; coordinating efforts with the local health departments; and other duties as assigned.

Because of the constantly changing nature of the current public health emergency, duties are subject to change as needed to support the school nurse and administration and keeping all students and staff members at all buildings healthy and safe. This includes secondary students, adult students and all district staff members.

Questions pertaining to requirements and/or desired qualifications can be directed to the person listed above.
